I am petitioning to change my status from undergraduate to graduate status. I have completed a minimum of 100 credits toward my undergraduate degree as shown on the attached Hebrew College transcript. I understand that by changing my status from undergraduate to graduate, I will be ineligible for Federal Pell Grants as well as other outside loans and scholarships, whether from government sources or private sources, that may be available to undergraduate students. I also understand that once this status change is granted, I cannot change my mind for financial aid purposes.
