

A NEW HASIDISM:

Study, Reflection, Celebration

Join us to celebrate the landmark publication of Rabbi Art Green's & Dr. Ariel Mayse's two volume work on the history, development and contemporary practice of Neo-Hasidism.

Neo-Hasidism applies the Hasidic masters' spiritual insights—of God's presence everywhere, of seeking the magnificent within the everyday, in doing all things with love and joy, uplifting all of life to become a vehicle of God's service—to contemporary Judaism, as practiced by men and women who do not live within the strictly bounded world of the Hasidic community.

PROGRAM WILL INCLUDE:

- Yearning for a Seamless Life of Connection
- Does a New Hasidism Need a Rebbe?
- Niggun as Spiritual Practice in the Context of Neo-Hasidism
- Dinner with words of torah
- Concert of neo-Hasidic inspired music
